WIP Challenge 2024

First pick 5 of your Work In Progress (WIP) projects. Then number them 1-5 on the list below. Submit a copy of your list along with $5 for each WIP on the list by the January meeting. At the January, 2024, meeting a random number will be drawn. Check your list and that is the project that you will have 2 months to finish. If it is finished and ready for Show-N-Tell, you will get your $5 back plus a ticket for the end of year drawing for the cash pot (unfinished WIP money). This process will be repeated at the March, May, July, and September meetings so that all 5 of your WIPs should be completed by November, 2024, meeting and you will have your $25 back plus 5 tickets for the drawing.

- WIP #1
